KbPort™ Simplicity™

In any simulation environment, realism, usability, data accuracy and accessibility are key. Enhance the reality and depth of your simulation-based education efforts to affect a more positive educational outcome with the integration capabilities of Simplicity™.

* SimLab Connect™ connects SimCart Rx™ to SimEMR®, a cloud-based, simulated electronic medical record solution.

** Building, maintaining and managing a simulation facility is a large investment. Simplicity™ allows you to better manage that investment with the Technology Management Plan™ (TMP). TMP goes beyond today's needs of your simulation facility to protect and develop that investment for the future. For more information, contact your KbPort sales representative.
